# Cut Flowers

Compliment your floral arrangements and increase sales with some of these beautiful new cut flower varieties.

**George B. Park**

Established in 1993, GeoSeed is an independent, family-owned seed company. Owner and President George B. Park, a third generation seedsman, and his wife Barbara, literally grew the business from their home.

We offer an extensive selection of seed varieties obtained from the best sources worldwide.

Our experienced sales staff is always ready to talk with you in person to offer dedicated service and support.
