SYSTEMATIC INDEX TO NOTES ON INDIGENOUS
TREES AND SHRUBS OF SOUTHERN RHODESIA

By A. A. PARDY

Compiled by A. J. Mullins
(Federal Department of Conservation and Extension)

	<i>Serial No.</i>
CYATHEACEAE	1
<i>Cyathea dregei</i>	1
PODOCARPACEAE	2
<i>Podocarpus milanjanus</i>	2
CUPRESSACEAE	3
<i>Widdringtonia whytei</i>	3
GRAMINEAE	4
<i>Oxytenanthera abyssinica</i>	4
PALMAE	5
<i>Phoenix reclinata</i>	5
<i>Hyphaene crinita</i>	6
<i>ventricosa</i>	7
<i>Borassus aethiopum</i>	8
<i>Raphia ruffia</i>	9
SALICACEAE	10
<i>Salix subserata</i>	10
MORACEAE	11
<i>Ficus capensis</i>	11
<i>sonderi</i>	12
<i>Myrianthus holstii</i>	13
PROTEACEAE	14
<i>Faurea saligna</i>	14
<i>speciosa</i>	15
<i>Protea abyssinica</i>	16
<i>petiolaris</i>	17
<i>Leucospermum ellipticum</i>	18
OLEACEAE	19
<i>Schrebera trichoclada</i>	19
ANNONACEAE	20
<i>Artabotrys brachypetalus</i>	20
<i>Xylopia odoratissima</i>	21
<i>Popowia obovata</i>	22
ROSACEAE	23
<i>Leucosidea sericea</i>	23
<i>Parinari mobola</i>	24
LEGUMINOSAE	25
MIMOSACEAE	25
<i>Acacia albida</i>	25
<i>ataxacantha</i>	26
<i>campylacantha</i>	27

	<i>Serial No.</i>
galpinii	28
gerrardii	29
giraffae	30
heteracantha	31
karroo	32
macrothyrsa	33
nigrescens	34
rehmanniana	35
robusta	36
sieberiana	37
subalata	38
Albizia anthelmintica	39
antunesiana	40
gummifera	41
rhodesica	42
sericocephala	43
Newtonia buchananii	44
Dichrostachys glomerata	45
Amblygonocarpus obtusangulus	46
CAESALPINIACEAE	47
Afzelia quanzensis	47
Baikiaea plurijuga	48
Bauhinia punctata	49
Piliostigma thonningii	50
Burkea africana	51
Isoberlinia globiflora	52
Brachystegia boehmii	53
spiciformis	54
tamarindoides	55
Cassia abbreviata	56
singueana	57
Guibourtia conjugata	58
coleosperma	59
Colophospermum mopane	60
Erythrophleum africanum	61
Peltophorum africanum	62
Schotia brachypetala	63
Tamarindus indica	64
PAPILIONACEAE	65
Afrormosia angolensis	65
Baphia obovata	66
Bolusanthus speciosus	67
Cordyla africana	68
Craibia brevicaudata	69
Dalbergia melanoxylon	70
Dalbergiella nyasae	71
Erythrina abyssinica	72
caffra	73
Lonchocarpus capassa	74
Ormocarpum bibracteatum	75
trichocarpum	76
Ostryoderris stuhlmannii	77
Pseudocadia zambesiaca	78

	<i>Serial No.</i>
Pterocarpus angolensis	79
rotundifolius	80
Swartzia madagascariensis	81
RUTACEAE	82
Calodendron capense	82
SIMAROUBACEAE	83
Kirkia acuminata	83
BURSERACEAE	84
Commiphora fischeri	84
marlothii	85
pilosa	86
MELIACEAE	87
Ekebergia arborea	87
Entandophragma caudatum	88
Khaya nyasica	89
Trichilia emetica	90
Turraea nilotica	91
POLYGALACEAE	92
Securidaca longipedunculata	92
EUPHORBIACEAE	93
Androstachys johnsonii	93
Bridelia micrantha	94
Croton sylvaticus	95
Euphorbia ingens	96
cooperi	97
Macaranga mellifera	98
Pseudolachnostylis maprouneifolia	99
Ricinodendron rautanenii	100
Spirostachys africana	101
Uapaca kirkiana	102
ANACARDIACEAE	103
Sclerocarya caffra	103
Lannea discolor	104
Heeria reticulata	105
Rhus lancea	106
AQUIFOLIACEAE	107
Ilex mitis	107
CELASTRACEAE	108
Gymnosporia senegalensis	108
Pseudocassine transvaalensis	109
SAPINDACEAE	110
Dialiopsis africana	110
Pappea capensis	111
MELIANTHACEAE	112
Bersama abyssinica	112

	<i>Serial No.</i>
RHAMNACEAE	113
Rhamnus prinoides	113
Ziziphus mucronata	114
TILIACEAE	115
Grewia obliqua	115
MALVACEAE	116
Thespesia garckeana	116
BOMBACACEAE	117
Adansonia digitata	117
STERCULIACEAE	118
Dombeya rotundifolia	118
Sterculia quinqueloba	119
Triplochiton zambesiacus	120
OCHNACEAE	121
Ochna pulchra	121
GUTTIFERAE	122
Garcinia livingstonei	122
HYPERICACEAE	123
Psorospermum febrifugum	123
Harungana madagascariensis	124
Hypericum leucoptychodes	125
DIPTEROCARPACEAE	126
Monotes glaber	126
FLACOURTIACEAE	127
Aphloia myrtiflora	127
Oncoba spinosa	128
THYMELAEACEAE	129
Dais continifolia	129
COMBRETACEAE	130
Combretum imberbe var petersii	130
gueinzii	131
microphyllum	132
zeyheri	133
Terminalia sericea	134
MYRTACEAE	135
Syzygium guineense	135
ARALIACEAE	136
Cussonia spicata	136
kirkii	137
natalensis	138
umbellifera	139
CORNACEAE	140
Curtisia faginea	140
MYRSINACEAE	141
Maesa lanceolata	141
Rapanea melanophloeos	142

	<i>Serial No.</i>
SAPOTACEAE	143
Chrysophyllum argyrophyllum	143
Mimusops zeyheri	144
EBENACEAE	145
Diospyros batocana	145
LOGANIACEAE	146
Anthocleista zambesiaca	146
Strychnos cocculoides	147
pungens	148
stuhlmannii	149
APOCYNACEAE	150
Carissa edulis	150
Conopharyngia elegans	151
stapfiana	152
Diplorhynchus mossambicensis	153
Holarrhena febrifuga	154
Rauwolfia inebrians	155
VERBENACEAE	156
Clerodendrum glabrum	156
Vitex payos	157
SCROPHULARIACEAE	158
Halleria lucida	158
BIGNONIACEAE	159
Kigelia pinnata	159
Markhamia acuminata	160
Stereospermum kunthianum	161
PEDALIACEAE	162
Sesamothamnus lugardii	162
RUBIACEAE	163
Adina microcephala	163
Crossopteryx febrifuga	164
Rothmannia urcelliformis	165
Hymenodictyon floribundum	166
Randia vestita	167
Vangueria longicalyx	168
Vangueriopsis lanciflora	169

ALPHABETICAL INDEX TO NOTES ON INDIGENOUS TREES
AND SHRUBS OF SOUTHERN RHODESIA

By A. A. PARDY

Compiled by A. J. Mullins

(Federal Department of Conservation and Extension)

	<i>Serial No.</i>	<i>Bulletin No.</i>	<i>Year</i>	<i>No.</i>
Acacia albida	25	1728	1953	4
arabica (see subalata)	38	1796	1954	6
ataxacantha	26	1904	1956	5
benthami (see subalata)	38	1796	1954	6
buchananii (see macrothyrsa)	33	1655	1952	3
campylacantha	27	1606	1951	5
